Why you are interested in the Augustine Project?

This 70 hour training course in multisensory, structured language (Orton-Gillingham approach with Wilson® materials) is free of charge because of your commitment to provide 60 hours of free, one-on-one instruction to a disadvantaged child in our service area. If you do *not* intend to serve as a volunteer Augustine tutor in the Western North Carolina region, the tuition for the course is \$600.

Make your check payable to Literacy Council of Buncombe County with "Augustine Training Tuition" on the memo line. **Please return this form and background information release at your earliest convenience.** Payment is due by June 24, 2012. Should you withdraw from the course after June 24 but before July 9, ½ of your payment is refundable. Preferential classroom space will be given to individuals who commit to provide 60 hours of free instruction. **Please mail application, release form (and check, if applicable) to:**
