Adult Literacy Awareness month begins

Today is the beginning of Adult Literacy Awareness month. In support of the goal of making sure all adults can read and write, Sensibilities Day Spa and Nova Restaurant are raising money for the Literacy Council of Buncombe County.

Sensibilities Day Spa will match up to \$1,000 all donations to the Literacy Council that are made at either of its two locations at 59 Haywood St. and 2 Town Square Blvd. in Biltmore Park. Donors will receive a thank-you discount card good on their next visit.

Nova Restaurant, 9 Broadway St., is donating 10 percent of evening revenues every Tuesday this month, starting tonight. To learn more, call 254-3442, ext. 205, or visit www.litcouncil.com.
